

FEDERAL MANDATORY MINIMUMS

This list includes all federal (not state) sentencing laws that require the judge to give the offender a mandatory minimum prison term. Laws that require the judge to impose only a minimum fine or period of supervised release are not included in this list. The crimes charged most frequently today (i.e., drug crimes, gun offenses) are presented first, followed by statutes that are used less frequently. This list includes only the laws in effect as of August 6, 2012.
