

**Bill Summary: Arizona Earned Time Credit and Good Time Credit  
HB 2753, Rep. Diego Rodriguez (D-27)**

**Bill Purpose:** If passed, HB 2753 would increase the amount of earned time credit and good time credit most people in Arizona's state prisons can earn off their sentences.

**FAMM's Position on the Bill:** FAMM supports HB 2753. FAMM believes every person coming home from prison someday should be allowed to earn time off their sentences as an incentive for their good behavior and rehabilitation. HB 2753 is an improvement on current Arizona law and will help thousands of people and families be reunited sooner after prison.

**Bill Status: This bill is not a law yet.** To become law, this bill must go through the committee process, pass through both the Senate and House, and be signed by the governor.

**Who Would This Bill Apply To?:** If passed, HB 2753 would apply to all people sentenced after the bill goes into effect on the date the governor signs it into law. The bill is not explicitly retroactive. FAMM will urge lawmakers to make sure that HB 2753 would apply to people who are in prison now.

**What the Bill Would Do:** Under current law, everyone in Arizona prisons must serve at least 85 percent of the sentence imposed, and people convicted of drug possession may earn an additional 15 percent off their sentences if they complete a drug treatment program during their sentences. **If passed, HB 2753 would**

1. Remove the requirement that a person have achieved functional literacy at an eighth grade reading level to be eligible for either earned time credits or the 90-day pre-release transition program for drug offenders (described in ARS 31-281);
2. Allow people in prison to earn good time credits (see chart below) if they
  - Are not serving a sentence for a dangerous crime against children (see ARS 13-705);
  - Have not had a serious infraction of DOC rules or regulations;
  - Have not violated any Arizona state law while in prison;
  - Have performed any duties assigned to him or her in prison; AND
  - Are not sentenced to serve the full term of imprisonment; and
3. Change the amount of earned time credits that prisoners can earn, and create good time credit, as follows:
