**RE:** **Public COVID-19 Website**

Dear Ms. Gill:

Thank you for your letter of March 31, 2020. You have suggested that the North Carolina Department of Public Safety implement a publicly accessible, COVID-19 website that would be specific to North Carolina correctional facilities. NCDPS agrees this would be a useful tool for communication and I have requested our IT department to look at the possibility of immediately creating a similar webpage for our agency.

Sincerely,

Todd Ishee
